

MANDATORY SUBJECTS – Bachelor’s Studies

Environmental Management – part-time form of studies

Name of the mandatory subject	Number of credits	Number of hours per semester					
		1.	2.	3.	4.	5.	6.
General ecology	6	12e					
Mathematics	6	12e					
Introduction to environmental studies	6	12e					
Informatics I	3	8o					
Introduction to law	6	12e					
Foreign language I	3/3/6	12o	12o	12e			
Statistics	6		12e				
Environmental aspects of processes and technologies	6		12e				
Global and landscape ecology	6		12e				
Applied chemistry	6		12e				
Introduction to management and marketing	3			8e			
Alien substances and management of their risks in the environment	6			12e			
Environmental education	6			12e			
Information systems and environmental monitoring	6			12e			
Public relations	3				8e		
Economic utilisation of landscape	6				12e		
Assessment of environmental effects	6				12e		
Environmental policy	6				12e		
Environmental law	6					8e	
Sustainable development	6					12e	
Environmental managerial systems	6					12e	
Seminar to bachelor thesis I	6					8o	
Environmentally suitable products and technologies	6						12e
Valuation of natural resources and real estate	6						12e
Waste management and recycling	6						12e
Seminar to bachelor thesis II	12						12o
Mandatory elective	3		8o	8o	8o	8o	
Mandatory elective	3				8o	8o	
Mandatory elective					8o/e		
Total hours		68	68	64	68	56	48
Exams		4	4	5	4/5	3	3
Ongoing evaluation		2	2	1	2/3	3	1
Credits	180	30	30	30	30	30	30

The list of abbreviations used in the chart:

o – ongoing evaluation during semester instruction

e – exam in the exam period

MANDATORY ELECTIVES – Bachelor’s Studies

Environmental Management – part-time form of studies

Offer of mandatory electives	Number of credits	Number of hours per semester					
		1.	2.	3.	4.	5.	6.
Sociology	3		80				
Informatics II	3		80				
Microeconomics	3			80			
Prevention and correction of environmental damage	3			80			
Foreign language I – professional terminology I					80		
Labour law	3				8e		
Communication	3				80		
Tourism and environment	3				80		
Social policy	3					80	
Project development	3					80	
Internship	3					80
